OF THE ADMISSION OF PATIENTS.

FIRST CLASS.

PERSONS WHO ARE FURIOUSLY MAD, &c.

When a person, by lunacy, or otherwise, becomes furiously mad, or so far disordered in his senses, as to endanger his own person or the person or property of others, if permitted to go at large, if possessed of sufficient property to maintain himself, it is the duty of the committee of his person and estate to send him, within ten days, to the State Lunatic Asylum.

Rev. Stat., Part I, chap 20, Title 3, Sec. 1, &c., and Laws of 1842, chap. 135, sec. 20.

Lunatics having property to be sent by their committees to the Asylum.

If such person is not possessed of sufficient property to maintain himself, it is the duty of the father and mother, and the children of such person, being of sufficient ability, to send such person to the Asylum.

Not having property, to be sent by relatives.

The committee (or the parent, or child, as mentioned above) should accompany the patient to the Asylum, and the committee should bring with him a certified copy of the order of his appointment.

Committee or relatives to accompany patient to the asylum.

The committee (or parent, or child) will be required to execute a bond, or agreement to the Treasurer of the Asylum, with two sufficient sureties, to pay for the maintenance of the lunatic, so long as he shall remain in the Asylum.

Committee or relatives to give a bond.

In case of the refusal or neglect of any committee of such lunatic or mad person, or of his relatives to send such person to the Asylum as aforesaid; or, when there is no such committee, or relative, of sufficient ability, it shall be the duty of the Overseers of the Poor of the city, or town, where any lunatic or mad person may be found, to apply to any two Justices of the Peace, of the same city or town, who, upon being satisfied, upon examination, that it would be dangerous to permit such lunatic to go at large, shall issue their warrant, directed to the Constables and Overseers of the Poor of such

The committee of the lunatic, or his parents or children, and the justices of the peace, as before mentioned, and in manner aforesaid, instead of sending him to the State Lunatic Asylum, may send him to such public or private Asylum as may be approved of by a standing order of the supervisors of the county, in which such lunatic, or mad person, may be found.

Laws 1842, chapter 135, sec. 20. Lunatics may be sent to public or private asylums, a p. proved by Board of Supervisors.

The provisions of law allowing other places of confinement beyond ten days are repealed.

When any such lunatic or mad person is apprehended by the persons or officers mentioned, he may be confined, for a period not exceeding ten days, in a suitable place, to be approved of by the overseers of the poor of the city or town, and be confined and maintained therein, in such manner as said overseers shall approve.

Laws 1842, chapter 135, sec. 20. The Superintendents and Overseers of the Poor are enjoined to see that the provisions of law for sending such lunatics or

mad persons to the Asylums, be carried into effect in the most humane and speedy manner, as well in case the lunatic or his relatives are of sufficient ability to defray the expenses, as in case of a pauper.

If any lunatic, confined in any manner above stated, or any friend in his behalf, is dissatisfied with any final decision or order of the justices, or other officers, a right of appeal to the County Judge exists, to be made within three days after the order.

Any overseer of the poor, constable, keeper of a jail, or other person, who shall confine any such lunatic or mad person in any other manner, or in any other place, than is prescribed by law, shall be deemed guilty of a misdemeanor; and on conviction, shall be liable to a fine not exceeding two hundred and fifty dollars, or to imprisonment not exceeding one year, or to both, in the discretion of the court before whom the conviction shall be had.

The overseers (under the power given to them to confine such lunatic, on his apprehension, for a period not exceeding ten days,) cannot select or approve of any prison, jail, or house of correction, as a place for such confinement, without an agreement for that purpose with the keepers thereof; nor can such lunatic be confined in the same room with any person charged with, or convicted of crime.

The county superintendents of the poor have all the power and authority given to overseers of the poor.

SECOND CLASS.

INDIGENT PERSONS, NOT PAUPERS.

When a person in indigent circumstances, not a pauper, becomes insane, application for a certificate of admission to the Asylum, may be made, in his behalf, to the County Judge of the county where he resides; but no such certificate can

Judge to give notice of hearing to superintendent of the poor. It is the duty of the judge, when such an application is made to him, to cause such notice thereof, and of the time and place of hearing the same, to be given to one of the superintendents of the poor of the county, chargeable with the expense of supporting such person in the Asylum, if admitted; or, if such expense is chargeable to a town or city, then to an over-

seer of the poor of such town or city, as he may deem reasonable. The judge, at the time and place of hearing, must call two respectable physicians, and other credible witnesses, and fully investigate the facts of the case (and either with or without the verdict of a jury, at his discretion, as to the question of insanity,) must decide the case as to his indigence. He must also inquire as to the time when the person became insane. He has power to compel the attendance of witnesses and jurors. Upon all the facts being proven, according to law, it is the duty of the judge to make and execute a certificate that satisfactory proof has been adduced, showing the person to be insane, and that he became insane within one year next prior to the date of the certificate, and that his estate is insufficient to support him and his family (or, if he has no family, himself,) under the visitation of insanity.

The certificate must be authenticated by the County Clerk, under his hand, and the seal of the County Court; and when authenticated, is authority for carrying such insane person to the Asylum, and must be taken by the friend having such person in charge, and delivered to the Superintendent of the Asylum. Such person is then to be admitted and supported at the expense of the county until restored to soundness of mind, if effected in two years.

It is the duty of the judge to file the certificate of the physicians called before him, taken under oath, and other papers, with a report of his proceedings and decision with the clerk of the county, and also to report the facts of the case to the supervisors, whose duty it is, at their next annual meeting, to raise the money requisite to meet the expenses of support accordingly.

When an indigent patient, under a judge's certificate, has remained in the Asylum two years, and has not recovered, it is the duty of the Superintendent to send notice thereof, by mail, to the Overseer of the Poor of the town from which the patient was sent, or to the County Judge of said county, and stating that he should be removed from the Asylum, and that if he is not removed his expenses will be chargeable to the county until the removal is made; but in every case of an indigent patient who has remained in the Asylum two years and not recovered, the Managers may, in their discretion, return him to the county from which he came, and charge the expense of the removal to the county.

GENERAL PROVISIONS IN RELATION TO THE FOREGOING CLASSES OF PATIENTS.

Each county may, at all times, have one indigent insane patient in the Asylum, whose disease, at the time of admission, was a first attack, and did not exceed six months ; and such further number of either old or recent cases as the Asylum can accommodate, in proportion to the insane population of the county. The patients shall be designated by the Superintendents of the Poor, or, if the county has no such Superintendents, by the County Judge.

No patient shall be admitted into the Asylum for a shorter period than six months, except in special cases, as specified in the by-laws.

All town and county officers sending a patient to the Asylum, are required, before sending him, to see that he is in a state of perfect bodily cleanliness, and comfortably clothed and provided with suitable changes of raiment, according to the by-laws.

Particular attention is required to this provision. The by-laws are as follows :

1st. Every patient, before admission, must be made perfectly clean, the hair properly cut, and the person free from vermin and contagious disease.

2d. Each male patient must be provided with at least two new shirts, a new and substantial coat, vest and pantaloons, of strong woolen cloth, a pair of mittens or gloves, two pairs of woolen stockings, a black stock or cravat, a good hat or cap, and a pair of new shoes or boots, together with a comfortable outside garment.

3d. Each female patient, in addition to the same quantity of under garments, shoes and stockings, should have a flannel petticoat and two good dresses ; also a cloak or other outside garment. In case the patient is so much excited as not to admit of being thus clothed, other clothing that can be kept on, and which is comfortable and in sufficient quantity, with

a change thereof, may be substituted. A patient's best clothing should always be sent.

^{Written history of the case.} A written history of the case should, if possible, be sent with the patient, and some one well acquainted with the patient should always accompany him.

LIABILITY OF COUNTIES, TOWNS AND INDIVIDUALS FOR THE MAINTENANCE AND EXPENSES OF PUBLIC PATIENTS.

^{Section 36. Liability of the patient for his support, and of necessary expenses incurred by the institution in his behalf. committee, town, country, &c.} Every insane person, supported in the Asylum, shall be personally liable for his maintenance therein, and for all necessary expenses incurred by the institution in his behalf. And the committee, relative, town, city or county that would have been bound, by law, to provide for and support him, if he had not been sent to the Asylum, shall be liable to pay the expenses of his clothing and maintenance in the Asylum, and actual necessary expenses to and from the same.

^{Section 37. Counties liable for all indigent & pauper patients. County Treasurer to pay bills. Duty of supervisors.} "The expenses of clothing and maintaining, in the Asylum, a patient who has been received upon the order of any court or officer, shall be paid by the county from which he was sent to the Asylum. The Treasurer of said county is authorized and directed to pay to the Treasurer of the Asylum the bills for such clothing and maintenance, as they shall become due and payable, according to the by-laws of the Asylum, upon the order of the steward; and the supervisors of said county shall annually levy and raise the amount of such bills, and such further sum as will probably cover all similar bills for one year in advance. Said county, however, shall have the right to require any individual, town, city or county, that is legally liable for the support of such patient, to reimburse the amount of said bills, with interest from the day of paying the same."

^{When bills become due.} By the by-laws the bills are due semi-annually, viz., on the first days of February and August, and whenever patients

^{Section 38. Removal of patients from asylum to poor house.} are removed. When the Managers order a patient to be removed from the Asylum to a poor house, it is the duty of the Superintendents of the Poor to pay the expenses of removal.

If not so paid, the Treasurer of the Asylum may pay said expenses, and charge the same to the county, &c. The counties can recover such expenses from the town, county or individual liable for the patient's support.

OF THE DISCHARGE OF PUBLIC PATIENTS.

^{Discharge of any patient.} The Managers, upon the Superintendent's certificate of complete recovery, may discharge *any patient*, except one under

a criminal charge, or liable to be remanded to prison. And they may discharge any patient admitted as dangerous, or any patient sent to the Asylum by the Superintendents or Overseers of the Poor, or by a County Judge, upon the Superintendent's certificate that he or she is harmless, and will probably continue so, and not likely to be improved by further treatment in the Asylum ; or

When the Asylum is full, upon a like certificate that he or she is manifestly incurable, and probably can be rendered comfortable at the poor house ; so that preference may be given, in the admission of patients, to recent cases of insanity, of not over one year's duration.

The Managers may discharge and deliver any patient, except one under criminal charge, as aforesaid, to his relatives or friends, who will undertake, with good and approved securities for his peaceable behavior, safe custody and comfortable maintenance, without further public charge. *A patient of the criminal class* may be discharged by order of one of the Justices of the Supreme Court, if upon due investigation it shall appear safe, legal and right to make such order.

As to the removal of "indigent patients, not paupers," after they have been two years in the Asylum, see what is herein before stated under the head of admission of the "Second Class." (*Laws 1850, chap. 282, sec. 2.*)

The whole duty of the discharge and removal of patients (except in criminal cases) is devolved upon the Managers, and the Superintendent of the Asylum. The county judges, justices, superintendents and overseers of the poor have no authority to discharge or remove them. When a discharge is desired, application must be made to the superintendent, so that it may be considered.

PRIVATE PATIENTS.

Whenever there are vacancies in the Asylum, (that is when it is not filled by patients sent by courts and officers,) the Managers can authorize the Superintendent to admit, under special agreements, such recent cases as may seek admission, under peculiarly afflictive circumstances, or which, in his opinion, promise speedy recovery.

Such patients are admitted at all times, when there is room for them ; but it is necessary that some friend of the patient should first write to the Superintendent of the Asylum, to ascertain whether or not there is a vacancy, and should state

the condition of the patient, his age, the state of his health, the nature, cause and time of the commencement of his insanity, and, generally, all that is known in reference to his disease and "peculiar circumstances."

An agreement for the support of a private patient, and for his removal, &c., must always be executed by some friend, with at least two sufficient sureties, and in this form:

Whereas, , of the town of , in the county of , an insane person, has been admitted as a patient into the New York State Lunatic Asylum, at Utica: Now, therefore, we, the undersigned, in consideration thereof, do agree with and bind ourselves to , the Treasurer of the said Asylum, to pay to him and his successors in office, the sum of dollars and cents per week, for the care and board of said insane person so long as shall continue in the said Asylum, with such extra charges as may be made or directed by the Superintendent of said Asylum, by reason of requiring more than ordinary care and attention; and also to provide with suitable clothing, and to pay for all such necessary articles of clothing as shall be procured or ordered for by the said superintendent or other officer of the Asylum; and to remove from the Asylum whenever the room occupied by shall be required for a patient, or patients, having preference by law, or whenever requested so to remove by the superintendent; and if shall be removed by the request of friends, contrary to the advice of the said superintendent, before the expiration of six calendar months after reception, then we agree to pay board, at the price above mentioned, for twenty-six weeks, including all extra charges, for the time has remained in the Asylum; and also to pay all damages, (not exceeding fifty dollars,) that may do to the furniture, buildings, or other property of the Asylum; for all reasonable charges and expenses in case of elopement, and funeral charges, in case of death. All such payments to be made semi-annually, on the first days of February and August, and at the time of discharge, death or removal, with interest on each bill from the time of its becoming due.

In witness whereof, we have hereunto set our hands and seals this day of eighteen hundred and .

The pecuniary responsibility of the persons signing the agreement must be made satisfactorily known to the Treasurer of the Asylum. If he has no personal acquaintance with them, or with persons knowing them, to whom he can apply for information, they must produce the certificate of a County Judge, County Treasurer, Supervisor, or a President or

Cashier of a Bank. The certificate may be in this form, and be indorsed upon the agreement :

I, _____, County Judge of the county of _____, or Treasurer of the county of _____, or Supervisor of the town of _____, in the county of _____, or President or Cashier of the _____ Bank, in the town of _____,) do certify that I am well acquainted with _____, who have signed the within agreement, and am also acquainted with their pecuniary circumstances, and, in my opinion, each of them is abundantly able to meet and pay promptly all sums which may at any time become due upon and by virtue of said agreement. Dated, _____, 18 ____.

The price of board, &c., for a private patient, is to be agreed upon between the parties and the Superintendent, or Managers. The *lowest* price, as now established by the Managers, is five dollars per week.

The whole law in reference to the Asylum, may be found in the 2d Vol. of the fifth edition of the Revised Statutes, page 885. The old law respecting the safe keeping of lunatics, and which is referred to in the Asylum law, is at page 882.
